

WASTE COLLECTION

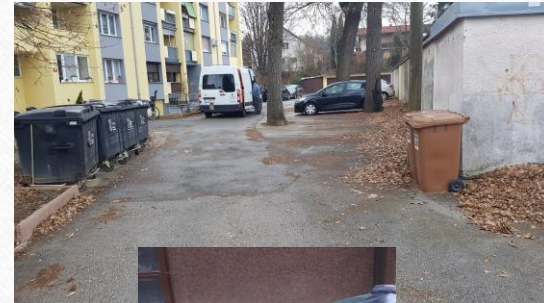

Clean environment in our neighbourhood

- Could be cleaner
- Problems: dogs, cigarettes, paper waste, plastic bottles

Door to door bins

- In front of apartment buildings, houses, schools and kinder gardens there are:
 - Plastic bins
 - Paper bins
 - Glass bins
 - Organic bins
 - Mixed waste bins

Big containers

- At our school we've got:
- Paper container
- Organic container
- Mixed waste container

Diferentiation of waste at our school?

- In clasroom we have 1 bin for mixed waste:
- In front of our school we also have bins for

mixed waste:

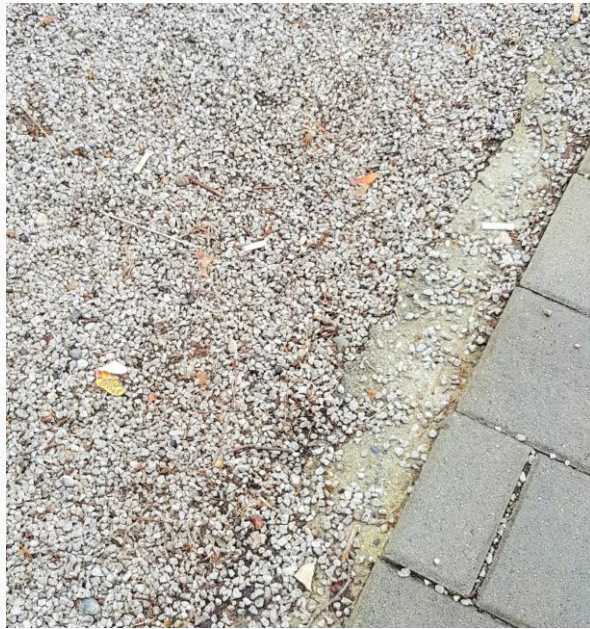

Before – after pandemic

- More trash than before: masks, plastic gloves, plastic bags, test for covid

Rubbish on the ground near school

- Cigarettes, plastic bottles, dog's poop ...

How to reduce waste?

- Recycle
- Clean up after dogs
- Glass bottles and not plastic
- No plastic bags for store
